

RoadDawg5K
Sponsorship Form

RoadDawg5K is a fundraising event designed to honor the memory of West Windsor Police Lieutenant Keith Hillman. Lt. Hillman was a 20-year veteran of the West Windsor Police Department who was stricken with acute Leukemia in early 2006 and passed away in July the same year. It was Lt. Hillman's dying wish that members of his community would contribute their time and money to help victims deal with the devastating effects of the disease that claimed his life. Please sign up to sponsor the bearer of this form, who is participating in the RoadDawg5K on behalf of the Lt. Hillman Honorary Foundation, a not-for-profit organization formed to honor Lt. Hillman's last wish. Your gift of \$20 (\$10 for students) or more is tax-deductible and will go a long way towards helping this worthy cause.
